Dear Parent/Carer

**Re: Post-16 Information Morning**

Dear Parent/Carer

I am pleased to let you know that we will be holding an information event for all Year 11 students next week to develop their knowledge of different providers of post-16 education in the area. This event will take place on Friday 3<sup>rd</sup> December (morning) in school.

As you will be aware, we do not currently have a sixth form provision; we plan to re-launch this in September 2023 (and are very much looking forward to this!), so we are conscious that we want to give students as much information as possible on what is available in the area.

We therefore invited representatives from all the local schools with sixth forms and colleges in the area to attend and deliver a short presentation to the year group. We have representatives from several schools and colleges who have confirmed their attendance and we are looking forward to them showcasing what they can offer and answering our students' questions.

We hope that this event, combined with other careers information/guidance and the open days that have been/are scheduled for these providers, will support your child in making informed choices about the next steps in their educational journey.

Yours faithfully

*Greenwood*
