

November 2019

Dear Parent/Carer

RE: GCSE RE INTERVENTION

I write to advise you that with effect from Monday 18 November 2019 I will be offering RE intervention. This intervention is vitally important to provide extra support leading up to the exams which will take place in Summer 2020.

I highly recommend all students attend on a regular basis. A mock exam will take place in January 2020, in preparation for this intervention sessions will take place Tuesday and Thursday after school with myself in room 101.

If you have any questions concerning your child's progress in RE or how further to support them in their studies please do not hesitate to contact me.

I look for meeting you all again at the Y10 parents evening on **17 March 2020**.

Yours sincerely

Ms K Wilson
