

## Year 7 Remote Learning Summary Guide

This information is to support students and parents in accessing their lessons whilst they are working remotely at home.

As it is difficult to know how long this may be for, it is important that students make every effort to keep up with their studies. As a rough guide, students should try and study the same timetable as they would have done if in school. For an idea of number of hours to spend on each subject see the far-right column below.

This document will be updated depending on the extent of closures and latest information. Teachers will continue to develop remote learning as needed.

<b>Subject</b>	<b>Tasks and links</b>	<b>Further Guidance</b>	<b>Hours per week</b>
English	Myths and Legends booklet on VLE (KS3: English); SPAG activities on VLE.	Students working through at their own pace. All work completed needs to be emailed to staff who will check as appropriate and provide feedback if needed.	4
Maths	<a href="http://www.mathswatch.co.uk/vle">www.mathswatch.co.uk/vle</a> A self-isolation task has been set which is a revision of all current units studied this academic year we expect this to be completed to a minimum standard of 70%. We will set new tasks should the period of closure extend but lots of you have plenty of homework tasks you can catch up on in this time.	The log in details are shown below and are the same for every student in school, once logged in you can change your password to make your account secure. Username: <a href="mailto:Firstname.Lastname@harrogate">Firstname.Lastname@harrogate</a> Password: Square Any problems remember there is a video to help you at the bottom of each question page then if you are still stuck ask your teachers (email)	3

	The team will be checking pupils mathswatch in the first instance and should this not be completed we will chase up the printed copies that have been issued if these are then not complete, we will be asking for this work to be done upon their return to school.		
Science	Access the VLE – KS3 area for Year 7.	Science staff will have instructed students how to access and complete assignment on 'Seneca Learning'. Teachers will be checking that you have done these, although they are self-marking. Students and teachers can get in touch through the VLE. Those students working from paper packs, should spend the time indicated by hours per week on the pack.	3
Technology	All tasks can be found by logging on the Harrogate High School Frog VLE. Department and Design & Technology: Courses – choose your course, and on the page, there will be a range of tasks to complete for the different subject areas.	There will be regular updates to the pages with new content added over the coming weeks. In addition, there is a wall posting application, where students can post messages if they need any extra assistance or have questions. Furthermore, my email address is on the wall posting application if students wish to send work to me or send photographs of their creations.	2
Art	Draw/ paint objects around your house using pencil, biro or any materials you have. Some artists even use coffee or food colouring. More ideas provided on the VLE art homepage or the student packs sent home.	Take photos and use apps to edit your work on your phone or tablet. Some good free apps are Snapseed, Pixlr or Procreate. You could also have a go at animation using the app Stop Motion.	1
Geography	Continent Project: Asia		2

	<p>Research and create an imaginative project all about Asia, or another continent of your choice. Within this you can include anything that interests you, for example you could:</p> <ul style="list-style-type: none"> <li>○ Investigate the continent's physical features such as mountains, rivers, deserts and natural hazards</li> <li>○ Investigate the human geography of the continent such as population and urbanisation, cultures, economic activity</li> <li>○ Investigate significant countries within the continent, for example Russia, China and India (worksheets on these countries are available on the VLE)</li> </ul> <p>Additionally, students can use the following link to BBC Bitesize to investigate a range of themes even further:  <a href="https://www.bbc.co.uk/bitesize/subjects/zrw76sg">https://www.bbc.co.uk/bitesize/subjects/zrw76sg</a></p>		
History	<p>VLE - History 2020 site – KS3 Tab</p> <ol style="list-style-type: none"> <li>1) Tudor Booklet</li> <li>2) Medieval Monarchs Booklet</li> <li>3) Skills Builder Booklet</li> <li>4) KS3 Victorian Booklet</li> </ol>	<p>The Tudors are the focus. Students are to complete 2 lessons a week. E.g. Week 1 – Lessons 1 and 2.</p> <p>2) Medieval Monarchs Booklet for Independent Learning. Students can complete one Medieval Monarch each week if possible. E.g. Week 1 – William I</p>	2

		Extra There is a Skills Builder Booklet and a separate KS3 Victorian Booklet for those students who want to extend their knowledge.	
ICT	VLE search Social Media Ahead Personal data and worksheet to complete	Worksheet to download on the site. Video links for extra guidance.	1
Music	Everything will be on the Music VLE for students to access. <b>Year 7 Page</b> -I will keep the home page updated each week with their lesson and any extras they can complete so parents know what it is they are to do and where to find it. -Start with Hooks and Riff Project – this will continue online, and I will update weekly. -Students can also look at all the other projects to improve their skills, especially theory.		1
R.E	Work will be set on the VLE  Y7- Religion and Morality	All tasks will be set on the VLE students are to work through the tasks which form part of the PowerPoints. KS3 BBC bitesize and true tube- you may need to create a free account have additional material. I will set additional work as the weeks progress.	1
Spanish	Y7 Spanish Choice Matrix of Activities VLE MFL Main Page, Work Set March/April 2020	Work set will be updated every two weeks on the VLE	2

P.E	<p>All students should aim to get 60 active minutes a day. Links will be available on the VLE for suggested activities they can do at home or outdoors. Students to attempt as many as they can. Most activities only require a ball or some type if any equipment at all.</p>	<p><b>Netball</b>  <a href="https://www.youtube.com/results?search_query=netball+solo+sessions">https://www.youtube.com/results?search_query=netball+solo+sessions</a></p> <p><b>Basketball</b>  <a href="https://www.youtube.com/watch?v=bnjed9YVCRs">https://www.youtube.com/watch?v=bnjed9YVCRs</a>  <a href="https://www.youtube.com/channel/UCWWdjNVVlvVTpYnBHR1epSg">https://www.youtube.com/channel/UCWWdjNVVlvVTpYnBHR1epSg</a></p> <p><b>Hand eye co-ordination (Rounders, tennis, cricket)</b>  <a href="https://www.youtube.com/watch?v=BbSgDkSLneM">https://www.youtube.com/watch?v=BbSgDkSLneM</a>  <a href="https://www.youtube.com/watch?v=DS6-P6TSpxw">https://www.youtube.com/watch?v=DS6-P6TSpxw</a>  <a href="https://www.youtube.com/watch?v=A6bCuFztaac">https://www.youtube.com/watch?v=A6bCuFztaac</a></p> <p><b>Family games indoors</b>  <a href="https://www.youtube.com/watch?v=VopxSrGucQE">https://www.youtube.com/watch?v=VopxSrGucQE</a></p> <p><b>No-equipment workout:</b>  <a href="https://www.youtube.com/watch?v=k_0MgIJdF6k">https://www.youtube.com/watch?v=k_0MgIJdF6k</a></p> <p><b>Football- drills to do at home</b>  <a href="https://www.youtube.com/watch?v=Y8i6QDPQ0v0">https://www.youtube.com/watch?v=Y8i6QDPQ0v0</a></p> <p><b>Gymnastics- beginner</b>  <a href="https://www.youtube.com/watch?v=g3ez2D0tiHQ">https://www.youtube.com/watch?v=g3ez2D0tiHQ</a></p> <p><b>Just dance</b>  <a href="https://www.youtube.com/watch?v=yQ4fTI4wbko">https://www.youtube.com/watch?v=yQ4fTI4wbko</a></p> <p><b>Yoga</b>  <a href="https://www.youtube.com/watch?v=b1H3xO3x Js">https://www.youtube.com/watch?v=b1H3xO3x Js</a></p>	2
Drama	<p>Year 7 drama the Independent Learning Challenge is on the front page of the drama department on the VLE</p>	<p>Dancers are to record all the physical activity they do while they are not attending school. A record form and some videos are on the front page of the Drama page on the VLE</p>	1
