

Year 10 Remote Learning Summary Guide

This information is to support students and parents in accessing their lessons whilst they are working remotely at home.

As it is difficult to know how long this may be for, it is important that students make every effort to keep up with their studies. As a rough guide, students should try and study the same timetable as they would have done if in school. For an idea of number of hours to spend on each subject see the far-right column below.

This document will be updated depending on the extent of closures and latest information. Teachers will continue to develop remote learning as needed.

| Subject | Tasks and links | Further Guidance | Hours per week |
|---------|--|--|----------------|
| English | GCSE Materials from VLE: GCSE Pod; Seneca and GCSE Bitesize. The focus is <i>Romeo and Juliet</i> and revision of <i>A Christmas Carol</i> , students will also need to revise whichever poems they have studied from the anthology. | Students are set up on their devices: GCSE pods are set up on phones. Independent Reading – Read <i>Lord of the Flies</i> | 4 |
| Maths | www.mathswatch.co.uk/vle A self-isolation task has been set which is a revision of all current units studied this academic year we expect this to be completed to a minimum standard of 70%. We will set new tasks should the period of closure extend but lots of you have plenty of homework tasks you can catch up on in this time. | The log in details are shown below and are the same for every student in school, once logged in you can change your password to make your account secure. Username: Firstname.Lastname@harrogate Password: Square | 4 |

| | | | |
|--------------------------------|--|--|---|
| | The team will be checking pupils mathswatch in the first instance and should this not be completed we will chase up the printed copies that have been issued if these are then not complete, we will be asking for this work to be done upon their return to school. | Any problems remember there is a video to help you at the bottom of each question page then if you are still stuck | |
| Science | Access the VLE – KS4 area for Year 10 | Science staff will have instructed students how to access and complete assignment on 'GCSE Pod'. Teachers will be checking that you have done these, although they are self-marking. Students and teachers can get in touch through the VLE. | 5 |
| RE | Check VLE for uploaded work | Either ICT or RE | 1 |
| ICT | VLE iMedia Preproduction skills Work through the storyboard section. | Answer the questions on the site as you get to them | 1 |
| Option 1: French | French Choice Matrix of Activities. VLE MFL Main Page, Work Set March/April 2020 | Work set will be updated every two weeks on the VLE | 3 |
| Option 1: Triple Science | As above | As Science above. | 3 |
| Option 1: Business | From the VLE you can access your coursework. Work on completing this using the guide sheets in your books. | Make sure each section is completed in detail | 3 |
| Option 1: Hospitality | All tasks can be found by logging on to the Harrogate High School Frog VLE. Once logged in go to: The Departments tab along the top Design & Technology | | 3 |
