Dear Parent/Carer

RE: FACE COVERINGS – SCHOOL POLICY

I write to remind all parents that since school was reopened in September 2020, in line with the NSAT Policy, the use of face coverings in all communal areas in school is an essential piece of uniform.

We are extremely grateful to those students who arrive at school with their face covering however, we are experiencing an increasing number of students who regularly arrive with no mask. As you will appreciate, disposable masks are for single use only and are very bad for the environment. We would like to encourage the use of fabric masks and therefore request students provide their own.

We will continue to have a small supply of disposable masks for emergency use should a student arrive without one. Should your child need to be given a mask, it will be recorded on ClassCharts.

Thank you in advance of your assistance in this matter.

Yours faithfully

Mrs C Clarke

Academy Head
