Dear Parent/Carer

Wellbeing Day Friday 5th March

To give both students and staff a break from their screens and to prepare for return to school, we will be having a wellbeing day on 05.03.21. Students will still need to log in to their form time session at 8.30am as normal, where their tutor will talk them through activities for the day. There will then be no live lessons for the remainder of the day and students will not be expected to be online.

We recognise that it is so important at this time to look after ourselves and to prepare for the transition back to school, so we would encourage all students to take the time to pause and reflect. An overview of all activities will be available on the website on Friday.

Students in School

If your child is attending school, then they will also be given the day off-screen. Students will take part in a range of activities in their bubbles on site and school will finish at the same time as usual at 2:30pm.

If you have any questions at all please get in touch, my email is:

Yours faithfully
