Welcome to the Harrogate High School Family!

We are delighted to welcome Parents/ Carers and new Year 7 students into our school community.

Transitioning from primary school into year 7 can be daunting but we hope to help make this move as seamless and happy as possible. We will provide regular contact, hints and tips in this newsletter, to help you get to know the staff, school and community.

Parent Information Booklet

Don't forget to check out the Parent Information Booklet on our website. This pack includes all the information parents and carers need ready for September, including details on uniform, Parent Pay, the Home School Agreement amongst other vital information. Link available [here](#)

Transition Lead

Miss Mistry is Transition Lead at Harrogate High. She joined us in April after working in schools across Bradford and Leeds for the last 15 years, teaching and leading in the Performing Arts department as a dance and drama specialist.

In addition to this she has been responsible for several curriculum areas such as Art and Design, DT, PE and MFL as well as developing whole school curriculum and quality assurance.

The Year 7 transition team led by Miss Mistry consists of the Head of Year, Year 7 SSO and 5 form tutors. Many of you will have already met some of this team during visits to primary school and at the parents information evening. They are really looking forward to meeting all students on the transition days, 10, 11th and 12th July and are looking forward to getting to know and supporting you and your children during their journey through Harrogate High School.

Assistant Head

Important dates for your diary

" I was very happy at primary school and was scared to leave and to go to secondary school but I needn't have been. Everyone is friendly at Harrogate High and I settled in well and really like it. You will too!"
