Courage Aspiration Respect Equality Self Control

#03 July 2023

Welcome to the Harrogate High School Family!

We are delighted to welcome Parents/ Carers and new Year 7 students into our school community.

Transition Days

We had a wonderful three days welcoming our Transition students to Harrogate High. It was so lovely to see everyone and witness new friendships blossoming.

The full itinerary over the three days provided a range of new experiences and learning opportunities so students could get an overview of what life at Harrogate High will be like.

We hope they enjoyed the time and they feel reassured about starting in September. We know it is a big step, but we are here to help you and your child with the transition and we hope they settle quickly and are sure they will thrive whilst with us at Harrogate High.

Have a wonderful summer break and we look forward to seeing you for an 8.30 start on 6th September.

Welcome from Year 7 Head of Year, Mr Wollard.

Hello! My name is Mr Woollard and I am very excited to become Year 7s Head of Year in September. I look forward to helping our new students make their experience at Harrogate High School a very positive one whilst maximising their academic progress. I am a Spanish teacher owing to some years spent abroad studying and teaching and I have a big passion for sports too. I am excited to learn what hobbies our new Year 7s have and help them explore those interests. I send a warm welcome to the new cohort and am excited to meet you all in September!

Online

Information

Please email tewv.wellbeinginmind@nhs.net to register your interest and to receive your session link.

Wellbeing in Mind Team - We are a team of NHS staff working with school staff providing advice, support and training on wellbeing issues as well as forming a link between the school and other services supporting young people. This work includes direct support for young people experiencing mild to moderate difficulties such as anxiety and low mood. Support to utilise online resources and develop skills as well as classroom-based education sessions in conjunction with the school's pastoral team to improve knowledge and understanding about wellbeing.
