Dear Parent/Carer,

**RE: Transition**

I hope this letter finds you and your family well, I would like to extend the warmest welcome to your child who will be joining the Harrogate High School family in September. I understand that this time of change and uncertainty can be challenging for young people but we will endeavor to provide support and information that will make this transition as smooth as possible.

In the coming weeks we will launch a dedicated section of our website so that we can regularly update you about events that will be taking place between now and September. This can be found using the following link <https://www.harrogatehighschool.co.uk/parents-carers/year-6-transition/> Week by week we will add information and videos for you to read and view at home. There will also be opportunities for you to join online meetings where you will have a chance to ask questions that are pertinent to you.

In addition, we will shortly be sending you a copy of our Parent Transition Booklet, which details all of the key dates and information you will need over the coming weeks and months. Please look out for this in your email but be reassured that a copy will also be on our web site for your ease.

Please can you complete this Data Collection Form as part of our enrolment process, this enables us to ensure we have all the necessary information for when your child starts in September as well as up to date contact information for during the transition period. You can access the form via the link or QR code below:
